IN RE: INTERSTATE POWER AND LIGHT COMPANY	DOCKET NO. RPU-02-6
---	---------------------

ORDER GRANTING MOTION TO AMEND APPLICATION

(Issued August 21, 2002)

On August 14, 2002, Interstate Power and Light Company (IPL) filed with the Utilities Board (Board) a motion to amend its application for ratemaking principles to reflect the filing of supplemental direct testimony on the same date that discussed new tax rates for gas delivery provided by the Iowa Department of Revenue and Finance. In support of its motion, IPL said the new tax rate was published subsequent to the filing of its ratemaking principles application on June 10, 2002.

The Board will grant the motion. The supplemental direct testimony on tax rates for gas delivery reflects new tax rates that were not published when the initial filing was made and is necessary for a complete record in this proceeding. If any intervenor needs additional time to file direct testimony on this issue, a request may be filed with the Board.

IT IS THEREFORE ORDERED:

The motion to amend application filed by Interstate Power and Light Company on August 14, 2002, is granted.
